Knights of the Macabees

The State Commander writes us from
Lincoln, Neb., as follows: "After trying
other medicines for what seemed to be a
very obstinate cough in our two chil-
dren we tried Dr. King's New Discovery
and at the end of two days the cough en-
tirely left them. We will not be without
it hereafter, as our experience proves that
it cures where all other remedies fail."—
Signed F. W. Stevens, State Com.—Why
not give this great medicine a trial, as it
is guaranteed, and trial bottles are free at
the Drug Store of Starke Drug Co., and
John A. King of Lake Butler. Regular
size 50c. and \$1.00."Perhaps you would not think so,
but a very large proportion of dis-
eases in New York comes from care-
lessness about catching cold,"
says Dr. Syrus Edson. "It is such a
simple thing and so common that a
very few people, unless it is a case
of pneumonia, pay any attention to a
cold. New York is one of the
healthiest places on the Atlantic
Coast and yet there are a great
many cases of catarrh and consump-
tion which have their origin in this
neglect of the simplest precaution of
every day life. The most sensible
advice is, when you have one get
rid of it as quick as possible. By
all means do not neglect it." Dr.
Edson does not tell you how to cure
a cold but we will. Take Cham-
berlain's Cough Remedy. It will
relieve the lungs, aid expectoration,
open the secretions and soon effect
a permanent cure. 25 and 50 cent
bottles for sale by Starke Drug Co.GREAT BATTLES are contin-
ually going on in the human sys-
tem. Hood's Sarsaparilla drives out
disease and Restores Health.

people should not be persuaded
that anything else will do.It is the King of Liver Medi-
cines; is better than pills, and
takes the place of Quinine and
Calomel. It acts directly on the
Liver, Kidneys and Bowels and
gives new life to the whole sys-
tem. This is the medicine you
want. Sold by all Druggists in
